### **IN THIS ISSUE**

#### **Amendment of CIVIL AVIATION REGULATION 001, Aerodrome Standards and Certification**

To ensure the Bahrain Civil Aviation Affairs has the most up to date regulatory system and continues to meet its regulatory responsibilities to the highest standard, the above named Regulation has been amended in order to reflect ICAO and international standards, in line with the Kingdom's requirements.

The amendment of this CAR will:

1. Update the regulation with regard to Amendment 13 to ICAO Annex 14;
2. Amend the period of validity of an aerodrome certificate to 5 years;
3. Update definitions used;
4. Provide more up to date guidance on taxiway clearance limits.

The attached Notice of Proposed Amendments (NPA) continues the process of formal public consultation on this proposed introduction.

Your review of the NPA 01/18 and your timely response by 15<sup>th</sup> April 2018 would be most appreciated.
