AC/GEN/04/2018

28th August 2018

IN THIS ISSUE

**CREATION of CIVIL AVIATION REGULATION 007, COMMUNICATION,
NAVIGATION and SURVEILLANCE (CNS) SERVICE PROVIDER CERTIFICATION
REGULATIONS**

To ensure the Bahrain Civil Aviation Affairs has the most up to date regulatory system and continues to meet its regulatory responsibilities to the highest standard, the above named Regulation has been created in order to reflect ICAO and international standards, in line with the Kingdom's requirements.

The introduction of this CAR will:

1. Enable the certification of Communication, Navigation and Surveillance Service Providers;
2. Require all providers of CNS Services to be certified;
3. Stipulate standards for the operation of CNS Service Providers.

The attached Notice of Proposed Amendments (NPA) continues the process of formal public consultation on this proposed introduction.

Your review of the NPA and your timely response by 28th October 2018 would be most appreciated.

Hussain Ahmed Al Shuail

Asst. Undersecretary for Safety and Security
